

NCACC ART AUCTION

←Coordinator: Trish Harrington, Virginia

We will have a Silent Art Auction of arts and crafts created by clerks and lawyers from across the country to benefit the Education Fund. Be creative and donate one or more of your creations to the cause!

Even if you don't personally knit, crochet, paint, draw, etc. and you know another clerk or lawyer who does, ask them to volunteer an item!

Sunday afternoon we will display the items in the Prefunction area by the Registration Desk and you will have the chance to place your bid (and re-bid!) on your favorite arts and crafts. The winners will be announced one day during morning announcements.
