## **Vendor Expo**

**Wednesday, August 5, 2009**

**Capitol Plaza Holiday Inn**  
**Sacramento, California**

**Featuring a vendor exposition and opportunities for  
showcase presentations to members of the NCACC.**

If you are interested in exposing your company to the decision makers in state and federal appellate courts then you don't want to miss the 2009 conference in Sacramento. Our Expo starts with a Vendor lunch at noon and lasts until 5. There are four ways you can participate:

1. Exhibitor -- \$500 - \$2,499. This entitles the company to a booth and two of their staff members to attend the Exhibitor Day (including any presentations that day) without paying the registration fee of \$300. If they wish to stay for the entire conference, they would pay the registration fee. Participation in the Vendor Lunch is included.
2. Contributor -- \$2,500 - \$4,999. This entitles the company to a booth and two of their staff members to attend the conference for the entire week without paying the registration fee. It also includes two complimentary tickets to NCACC's annual banquet.
3. Sponsor is any company who pays \$5,000 or more. This entitles the company to a booth, an opportunity to present a vendor showcase, and for three of their staff members to attend the conference for the week without paying the registration fee. It also includes three complimentary tickets to our annual banquet.
4. Partner is any company who pays \$20,000 or more. This entitles the company to two booths, an opportunity to present a vendor showcase, and for five of their staff members to attend the conference for the week without paying a registration fee. It also includes five complimentary tickets to our annual banquet.

### **Returning in 2009 – Vendor Showcases**

Each Expo booth will consist of a 6' skirted table, with a wastebasket and sufficient chairs provided. In addition to the charges described here, any separate charges for conference events, and any additional hotel charges (such as shipping, electrical, presentation equipment or internet access) are the responsibility of the Vendor.

For a \$500 additional fee, LEVELS ONE and TWO may present a vendor showcase on a first-come, first-serve basis.
